

TO OUR VALUED CUSTOMERS

According to Provincial and City of Toronto regulations, a mask is now optional when inside any public space.

This includes DRUGTOWN.

We have decided to continue wearing masks for a little while longer for the protection of our team members and our valued customers.

We will not be asking our customers to wear masks, but do encourage all who enter our store to do so.

If you don't have a mask, and would like to wear one, **PLEASE** go directly to our Front Cash where you can purchase one for \$1, tax included.

Thank You for your cooperation.
