## WHAT YOU NEED TO KNOW

Flu shots will be by appointment only. Please call to arrange a time for yourself and other family members.

Please arrive a few minutes before your appointment, not sooner.

You will be asked a few screening questions and we will take your temperature.

You will be required to stay for about 10 minutes after you receive the flu shot.

You **MUST** wear a mask while in the store and we ask that you maintain a 6 foot distance between yourself and others before and after you get your shot.
